DETAILED ACTION

Allowable Subject Matter

1. Claims 1-6 and 10 are allowed.
2. The following is an examiner's statement of reasons for allowance: The best prior art of record, Otsuki (US 5,847,685), Suzuki (EP 0 995 635 A2), and JP 10-51712, taken alone or in combination, fails to teach or fairly suggest an electronic apparatus having a movable portion to be moved by a driving force of a drive power source between a first position and a second position against a main body, comprising at least among other limitations: a changing device for changing a pushing force of a pushing device to push said movable portion between the first position and the second position, wherein a roller of a first pushing device of said pushing device penetrates the changing device, and a depth of a first portion of the changing device which said roller penetrates into when said front panel is positioned at the first position and a depth of a second portion of the changing device which said roller penetrates into when said front panel is positioned at the second position are different as set forth in claim 1. Claims 2-6 and 10 are dependent claims from claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
